			NOTES		
			<p>Since variations are common in artistic glass tile, we recommend final selection be made from an actual tile mock-up. To achieve optimal results in shading, layout and design, tile should be randomly selected from multiple boxes during installation. We recommend a minimum of 10% overage on all orders. Please take care when grouting and protect surface from abrasion. <b>Installation constitutes acceptance.</b> We advise retaining control samples to aid in color matching if additional material is required (match not guaranteed).</p>		
			MAINTENANCE		
			<p>A routine cleaning of <b>Flux</b> tile can be done with a light duty non-abrasive, close to neutral pH detergent cleaner.</p>		

\* Acceptable for use near open flame or heat source; However it is **NOT** considered 'Fire Glass'.
