

JAW (Just Add Water)

JAW (Just Add Water) is an enticing series of glass tile borders for pool waterlines, showers, spas, water features and other border applications. Border heights can be increased with sheets of corresponding field material. Easy to use straight out of the box, and coordinate with LBT's Agate and Luce series.

Zing 1 x 3 Border (5.51 x 9.96")	0.83 LF/0.381 SF	5 Sheets/4.150 LF/1.905 SF	Thermal Shock	ASTM C-484	Passed
Zing 1 x 3 Field (12.13 x 9.96")	0.839 SF	5 Sheets/4.195 SF			
Shade Variation		Grout Joint Recommendation			
V3 - V4 Substantial Variation		1/16" (1.6mm)			
NOTES					
<p>Since variations are common in artistic glass tile, we recommend final selection be made from an actual tile mock-up. To achieve optimal results in shading, layout and design, tile should be randomly selected from multiple boxes during installation. We recommend a minimum of 10% overage on all orders. Please take care when grouting and protect surface from abrasion. Installation constitutes acceptance. We advise retaining control samples to aid in color matching if additional material is required (match not guaranteed).</p>					
MAINTENANCE					
<p>A routine cleaning of JAW tile can be done with a light duty non-abrasive, close to neutral pH detergent cleaner.</p>					

* Acceptable for use near open flame or heat source; However it is NOT considered 'Fire Glass'.

FLOOR APPLICATION DEFINITIONS:

Light Residential - Flooring areas subject to soft-soled footwear or normal footwear traffic without abrasive soil/dirt, such as bathrooms and bedrooms without exterior access and minimal pivot points.

Residential - Flooring areas subject to soft-soled or normal footwear traffic that may contain amounts of abrasive soil/dirt, such as living rooms, dining rooms or other rooms with exterior access.
