

Vesuvio

From a heritage of mosaics erupts Vesuvio—a mixed media mosaic series that combines glimmering glass with natural white marble. Elegant yet durable, the natural stone creates a beauty only achieved after millions of years of nature working her magic. The glass is evocative of semi-precious stone found in volcanic formations. In concert, the simple geometric patterns become the timeless foundation for many interior styles.

Shade Variation		Grout Joint Recommendation		NOTES	
V4 Substantial Variation		1/16" (1.7 – 2.3 mm)			
Since variations are common in both stone and artistic glass tile, we recommend final selection be made from an actual tile mock-up. To achieve optimal results in shading, layout and design, tile should be randomly selected from multiple boxes during installation. We recommend a minimum of 10% overage on all orders. Please take care when grouting and protect surface from abrasion. Installation constitutes acceptance. We advise retaining control samples to aid in color matching if additional material is required (match not guaranteed).					
Vesuvio is a blend of Natural Stone and Glass, we strongly recommend sealing the product with penetrating sealer immediately after installation. Please see our Care and Maintenance for best care practices.					
MAINTENANCE					
A routine cleaning of Vesuvio tile can be done with a light duty non-abrasive, close to neutral pH detergent cleaner.					

* Acceptable for limited and sporadic exposure near open flame or heat source, including fireplace wall/cooktop surround. **NOT** recommended for placement inside a firebox.

** Please see specific installation guidelines for Shower Floors.

▲ 3 x 12 Brick Field, 3 x 12 Chevron Field, and 3" Hex **ONLY**. All other patterns should only be used in Light Residential Floors.
